

36 EASTER EGGS TO SPOT, BUT WHICH IS THE BEST?

You'll find some eggs in shop window and other's inside local businesses. We've created a handy trail sheet so you know which shops to look in, and once you spot the eggs, you can write their names on the trail sheet too.

We'd love to know which egg you liked the most, so be sure to take a photo of yourself next to your favourite egg and post it to our Facebook page or tag us on Instagram using the tag: #HeatonsEggTrail (you'll need to get your parents to help you with this bit!).
